(0.08 second)» **List view**[Cover view](#)» **Sort by relevance**[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)» **Any status**[Issued patents](#)[Applications](#)**Vending machine method and apparatus for encouraging participation in a ...**

US Pat. 6317649 - Filed Aug 9, 2000 - Walker Digital, LLC

In this manner, as 25 discussed below, the **vending machine 100** can ensure ... 3,the **inventory management database 300** typically includes a plurality of ...**Vending machine apparatus for encouraging participation in a marketing effort**

US Pat. 6658323 - Filed Oct 30, 2001 - Walker Digital, LLC

In addition, a **vending machine**, such as **vending machine 100**, ... Generally, the**inventory management database 300** stores information on the available ...**Wide area network operation's center that sends and receives data from ...**

US Pat. 6457038 - Filed Mar 12, 1999 - isochron Data Corporation

In particular, conventional **vending machine management** systems do not use ... 18and **vending hardware and inventory 16** according to the present invention. ...**Apparatus and methods for monitoring and communicating with a plurality of ...**

US Pat. 5844808 - Filed Nov 21, 1996

After this target **inventory level** is reached, the **remote 35** local unit will ... is below a level which indicates that the **vending machine VN** is about to run ...**Vending machine evaluation network**

US Pat. 6230150 - Filed Mar 31, 1998 - Walker Digital, LLC

BACKGROUND OF THE INVENTION Vending machines are well known **devices** employed at... conditions at the **remote vending machine** to a central controller. ...**Cashless vending transaction management by a vend assist mode of operation**

US Pat. 7076329 - Filed Apr 12, 2002 - USA Technologies, Inc.

The transaction data can then be 25 data communicated to a second **remote**location, ... 500 can audit **inventory**, sales, operational and other **vending machine** ...**[APPLICATION] Machine for distributing articles and management system thereof**

US Pat. 11349246 - Filed Feb 8, 2006

More particularly, the present invention relates to a **vending machine** which ...local and **remote** operations on the machine and **inventory management** of the ...

Monitoring and reporting system using cellular carriers
